

Tiered Approach to Requiring SafeSport Training within the WNSL
Submitted by Charil Reis

2021-2022 Season

Action 1

All head coaches of high school and middle school are required to complete Individual SafeSport training entitled: **01. SafeSport Trained** (\$20.00) <https://www.athletesafety.org/training/index>

Note: This training is for individuals who are NOT CURRENT MEMBERS of their National Governing Body. If you are a member of a NGB, please contact your NGB to access the core SafeSport training.

Action 2

Upon completion of the training (either via the link above or through USSS), a pdf certifying each head coach's training completion shall be forwarded to winordicskileague@gmail.com in order to be filed in this organization's Google Docs folder. The list of coaches needing to be trained shall be derived from the Coaching Contact List currently available at: [WNSL Coach Contact & Club Listing](#) The training (and pdf filing with the WNSL Secretary) shall be complete by December 31, 2021.

Action 3

All high school head coaches should strongly encourage their 17-18-year-old athletes to complete either **07. SafeSport for High School Athletes** or **07A. SafeSport for High School Athletes: Second Year Training**.

Note: If your organization is a USSS certified club, this may already be required.

Action 4

All head coaches should strongly encourage their assistant coaches, team managers, and all parents to complete **08. Parent's Guide to Misconduct in Sport**. Note: If your organization is a USSS certified club, this may already be required.
